

MAKING WAVES QUILT INSTRUCTIONS

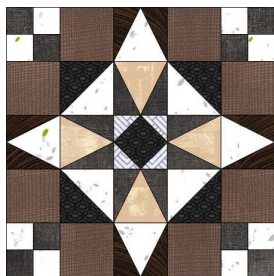

Rotary Cutting or AccuQuilt

There is no curved piecing at all in this quilt! The design and use of fabric just makes it look that way. One block in two colorways is all it is.

Cutting Instructions

If you want to be really organized, you will need 2 @ jumbo plastic zip bags and 12 @ one gallon plastic zip bags. The cheap ones are perfect. I have bags that I've used repeatedly.

Mark the jumbo bags "Light Block" and "Dark Block". Six of the smaller bags will go into the Light bag and 6 into the Dark bag. Label the 6 smaller bags as:

Light Bag	Dark Bag
LT 4 Patch	DK 4 Patch
LT Squares	DK Squares
LT HST	DK HST
LT Tri Rec In	DK Tri Rec In
LT Tri Rec Out	LT Tri Rec Out
LT Square In	DK Square In

These labels correspond to the units shown at left.
